

## FUN WITH FLORAL ART

Thank you for enrolling in “Fun with Floral Art”

### Week One

### FLORAL ENVELOPE

### WHAT TO BRING

#### Suggested materials:

The course will run for five weeks. Each week we will be making a different arrangement. A starter kit can be purchased from the tutor at the first lesson. This will include florist scissors, florist wire, parafilm tape, foliage stripper, twine, oasis foam, gift box etc. The cost is \$30 and the materials can be used each week. Floristry equipment is specialist and can be difficult to source so a kit is helpful.

**Week 1:** Tutor will supply the envelopes.

You will need to bring:

Bucket of water or vase for transporting flowers  
Apron (optional)  
Notebook & pen (Optional)  
Camera or phone for taking photos

#### Foliage:

A few stems of small leaved, strong stemmed, greenery: Ferns, Ivy,

Parsley, box, pittosporum, lillypilly etc.

#### Flowers:

3-4 stems of larger flowers  
And 3 – 4 stems of small headed filler flowers i.e.  
Leucadendrons  
Roses  
Spray Rosebuds  
Spray Carnations  
Berries  
Button Chrysanthemums  
Wax flowers  
Gypsophila  
Queen Anne’s Lace  
Smaller succulents  
Lisianthus  
Alstromeria

A handout will be given out at the first class and we will also discuss what to bring each week.

Florist supplies can be bought from stores such as Neds, Spotlight or Baldocks, 63 Queen St in the city or the extensive range at Apack upstairs at Tony’s Flowers, cnr London Rd & South Rd, Mile End. As it is a wholesalers you will need to say you are a student. Tony’s closes at 12 noon. Apack closes at around 4pm ph. 8443 6558.

Flowers can be sourced from gardens, markets, (i.e. Central Market), supermarkets, florists or wholesalers such as Tony’s. Aldi usually has a small but well priced range.
